Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of an claim of the subject application, Attorneys for Applicants hereby direct the Examiner's attention to the references B1-B20 listed on the attached revised Form PTO/SB/08. Copies of references B1-B20 are enclosed.

Applicants respectfully request that the Examiner review the materials identified above and that they be made of record in the file history of the application.

Identification of the materials identified above is not to be construed an admission of any individual associated with the filing or prosecution of the subject application that any such material is available as "prior art" against the subject application. Furthermore, Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the subject application.

Pursuant to 37 C.F.R. § 1.97(b)(3), since this information disclosure statement is being filed before the mailing date of a first Office action on the merits in the instant application, no fee is believed due in connection herewith. However, should the Patent Office determine otherwise, please charge the required fee to Deposit Account No. 08-3425. A copy of this sheet is enclosed.

Respectfully submitted
